

**New Hyde Park—Garden City Park
District-Wide**

Math Parent Presentation

When: October 23, 2019

Starts: 6:30 pm

Where: New Hyde Park Road School Auditorium

Sponsored by Nassau TRACT

Mrs. Schlueck, NHP-GCP math specialist, will be presenting the following:

- mathematical strategies and utilizing visual organizers in grades K - 6
- math resources available through the school district
- reference materials to develop fact fluency, conceptual understanding, and mathematical vocabulary
- review the Common Core math practices to develop problem solving using the mathematical knowledge and skills he/she possesses

If you plan to attend the Parent Math Workshop, please email Mrs. Schlueck directly at sschlueck@nhp-gcp.org with the following information:

In the email subject line: Parent Math Workshop

Please include in the email:

- Your Name
- Your Child's Name
