BOARD MEMBER QUALIFICATIONS

Headnote:

The qualifications for school board membership are prescribed by law. Board members must be qualified voters in their school district, be able to read and write, and be a resident of their district for one year prior to the election. They may not be an employee of the district.

General Discussion:

As prescribed in the Education Law, every school district officer, including Board members, must be able to read, write, and be a qualified voter of the district.

Restrictions on Employment and Public Office:

A Board member may not reside with a member of the family who is also a member of the same Board of Education in any school district. No current district employee may be a member of the Board of Education. The Commissioner has held, however, that a retired teacher receiving medical insurance benefits under a current collective bargaining agreement is eligible to serve on the Board.

A Board member may not hold another public office that is incompatible with his or her Board service, e.g., certain local municipal offices.

Ineligibility of Removed Board Member:

A Board member who is removed from office is ineligible to be appointed or elected to school district office for one year from the date of removal.

Board Powers:

The Commissioner of Education has ruled that school boards may not add to the qualifications established by statute for school board membership.

Mandatory School Board Member Training

All newly elected or appointed Board members are required to participate in a minimum of six hours of training on the financial oversight, accountability and fiduciary responsibilities of a school board member within the first year of his or her term. Education Law Section 2102-a(1)(a). In addition, within the first year of his or her term, all newly elected or appointed Board members must complete a training course to acquaint him or her with the powers, functions and duties of boards of education, as well as the powers and duties of other governing and administrative authorities affecting public education. Education Law Section 2102-b(1)(a).

SCHOOL BOARD CANDIDATE
EXPENDITURE DISCLOSURE REQUIREMENTS

The New York State Education Law requires candidates for school board trustee to make certain filings regarding expenditures made and contributions received in the course of a campaign (NYS Education Law Sections 1528 and 1529).

Candidates must file a sworn statement with the district clerk and Commissioner of Education setting forth all expenditures and contributions in support of that candidate's nomination or election.

This detailed filing is not necessary if the candidate's aggregate expenditures (including expenditures made by and on behalf of the candidate) and aggregate contributions do not exceed \$500. If this is the case, the candidate is only required to file with the district clerk a sworn statements that "his or her election expenditures did not exceed five hundred dollars and contributions received did not exceed five hundred dollars."

The following is a synopsis of the Education Law requirements.

Who must file? The Education Law requires that candidates file sworn statements. Moreover, any person who makes an expenditure on behalf of a candidate without his or her approval must first file a statement with the district clerk and commissioner stating that the candidate did not approve the expenditure. Any "non-approved" expenditure is limited to \$25.

What type of sworn statement must be filed if expenditures and contributions do not exceed \$500?

If a candidate's personal expenditures and approved expenditures made by others total \$500 or less and if the aggregate amount of contributions received by the candidate does not exceed \$500, the candidate must file sworn statements to that effect with the District Clerk of the School District.

Included in this package are sample statements we have prepared- see Forms A and B. These or any other sworn statements that comply with the law will be accepted by the School District.

What type of sworn statement must be filed if expenditures or contributions exceed \$500?

If a candidate's personal expenditures and approved expenditures made by others total more than \$500, or if received contributions total more than \$500, the candidate must file a sworn statement with the District Clerk **AND** the Commissioner of Education. The statement must set forth "all moneys or valuable things paid, given, expended or promised by the candidate or incurred for or on his or her behalf with his or her approval."

The contribution statement must include the dollar amount of the contribution or the fair market value of any non-monetary contribution, and the name and address of the donor. If the donor is a political committee, the statement must include the date of its receipt, the dollar amount of each expenditure, the name and address of the person who received the contribution and the name of the political committee.

Included in this package are sample statements we have prepared- see Forms C and D. These or any other sworn statements that comply with the law will be accepted by the School District.

How must the sworn statement be filed?

All filings with the District Clerk must be delivered to the District administrative office located in the Manor Oaks School, 1950 Hillside Avenue, New Hyde Park, between the hours of 9:00 a.m. and 4:45 p.m. during school days.

The office of the Commissioner of Education is located at the New York State Education Department, 89 Washington Avenue, Albany, New York 12234. Call (518) 474-3852 for further information.

When must the sworn statements be filed?

Sworn statements must be filed on three separate dates. The first sworn statement must be filed on or before the thirtieth day preceding the election – April 22, 2019. The second sworn statement must be filed on or before the fifth day preceding the election – May 16, 2019. The third statement must be filed within twenty days after the election – June 10, 2019. Each statement must cover the period up to and including the day before the date the filing is due.

In the event the last day for filing falls on a weekend or date in which school is not in session, the filing with the District Clerk must be made on the next school day.

What other special requirements are there?

If a contribution or loan in excess of \$1,000 is received after the second filing, it must be reported within 24 hours of receipt in the same manner as other contributions (i.e., in a sworn statement filed with the District Clerk and the Commissioner of Education).

Included in this package is a sample statement we have prepared- see Form E. This or any other sworn statement that complies with the law will be accepted by the School District.

Canvassing of Affidavit Ballots

If affidavit ballots are received on the day of the vote, designated poll clerks will canvass affidavit envelope ballots under §2019-a (2)(b) the next business day at the office of the District Clerk.

This is the provision whereby voters, whose registration records cannot be found may, in lieu of presenting a court order permitting him/her to vote, swear to facts in an affidavit (printed on an envelope) regarding his/her claimed right to vote. The ballot is then sealed in the envelope to be separately canvassed by the designated poll clerks pursuant to the further provision of the statute.
